

K-Love is an excellent Christian station that I enjoy listening to and I do not have to worry about any immoral comments or cursing. I feel that our community would be done a great injustice if K-Love is displaced by an LPFM broadcaster providing other programming since we would not know what was going to be broadcasted. I know what I listen to now on K-Love is clean language, music that do not have cursing or crude language in the lyrics and uplifting words to help me through the day. We do not have hardly any other stations that I can say this about. Please keep in mind that the whole family can listen to this station and benefit from it. You do not have to worry that your kids or grandkids are listening to music that sends the wrong message.
